Presstours will endeavour to keep prices as low as possible to above prices but pricing throughout the season fluctuates on channel tunnel and hotels, for an up-to-date quote or any queries that you may have please call +447717008160.

If you have your own accommodation we can quote for travel only if required.

Once you have a quote and are happy to go ahead with a booking, 60% of the final total will be required, this will then secure your hotel booking and channel crossing. Unfortunately this amount is non-refundable if you cancel as your hotel and crossing is paid for immediately, the balance is then required 8 weeks before travel, all receipts and reminders will be duly sent.

If you do have to cancel we will endeavour to use your booking with other customers, if we find another customer that wants your planned stay we will refund your amount in full with no cancellation charge.

There is also a strict no smoking and drinking policy on our vehicle, we don't want to be killjoys but this is our private hire insurance requirements, soft drinks are welcomed but due to the fact that it is executive luxury travel we need to keep our vehicle in top condition for all of our passengers, plus safely travel to and from your destination getting you there in safety. Of course once you are there you have plenty of time to enjoy yourself, and for the return journey blankets, pillows and plenty of coffee and water for those hangovers if you have one.

WE LOOK FORWARD TO HEARING FROM YOU
